Property Description

Sale, Luxury, Contemporary Home Surrounded by Nature in Villa Real, Santa Ana This luxurious two-story home features a modern design, expansive windows, limestone and wood floors, and is fully surrounded by nature with forest views. Each area of the house offers natural views and access to its gardens and outdoor terraces. Located in the exclusive community of Villa Real in Santa Ana. The main level is the heart of the home. Upon arrival, you are greeted with gardens and modern architecture. Enter through concrete structures resembling giant mushrooms into the living, dining, and family bar areas. This open space has a warm ambiance with high ceilings, exposed iron beams, large windows, and limestone walls, all bathed in natural light and surrounded by spectacular foliage. The entire space opens to a large terrace with different outdoor areas. On one side, the independent kitchen features a central island, ample cabinetry and prep space, stainless steel appliances, and a breakfast nook.
