Property Description

The 8300 square-foot Richard Muller designed home is an immaculate example of Ocean View design and craftsmanship. The home sits in a prime position overlooking Tamarindo Bay to the west as well as the protected shoreline of Playa Grande and its "Parque Nacional" designation as home for the nesting Leatherback Turtles! The home features a total of five bedrooms all with en-suite baths including two amazing primary bedrooms, both with expansive ocean views plus private terraces. On the main floor, you'll find a well appointed gourmet kitchen plus indoor dining adjacent. Outdoor you'll find the kitchen/bbq area with even larger dining accommodations with Al Fresco views and ocean breezes. At the center of the outdoor living area lies an infinity pool with comfortable outdoor living areas as well as lounging areas to take in the sun! The home includes a top tier media room with comfortable seating as well as an entire lower level currently dedicated to an indoor ice skating practice area, playground and soccer pitch.
