Situated on a 5,000 m² property with private access from a public road, this villa offers a serene atmosphere of privacy and harmony. Enjoy stunning views of the mountains and the Playa Hermosa biological reserve through large windows that provide a glimpse of the ocean. About 70% of the property is usable for walking and gardening, and it is already fully planted with fruit trees that will soon bear fruit. This villa features an electric gate and a covered garage for two vehicles. By the end of construction, the gardens will be fully landscaped, enhancing the tranquil outdoor environment.
