Property Description

Discover a rare opportunity to own a stunning estate nestled inside the prestigious Brisas del Cabo gated community, just minutes away from Costa Rica's most iconic beach destinations—Santa Teresa and Montezuma. This versatile property features a beautifully designed 3-bedroom, 3.5-bathroom main house, two fully equipped guest homes, a private swimming pool, and sits on a total of 37,000 m² (9.14 acres) of lush tropical land divided into two titled lots. The main lot (30,000 m²) hosts the elegant homes and pool, while the second lot (7,000 m²) is undeveloped, offering an exciting opportunity for expansion, additional guest villas, or a private wellness retreat. Both lots are fully titled and come with 2 registered water meters from Delicias ASADA, electricity, high-speed internet, and solid infrastructure already in place. Crafted with Bankerai wood imported from Indonesia, the homes feature high-end finishes that blend tropical charm with modern comfort.
