Property Description

New, Spacious Modern Home, Walk to Uncrowded Beach This comfortable Home is in a private neighborhood, secure and surrounded by first growth native landscaping. There are two bedrooms and one baths, a large living room dining area and a custom kitchen with beautiful countertops. The extra large outside porch area winds around the house that sits above the other properties. It is only a short walk to the uncrowded, sandy beach of Playa Organos, with views of the nearby Isla Tortuga and Curu National Park. The ocean waves are blocked by the offshore islands so swimming and bathing in the ocean is a pleasure. The property includes a large garage/ bodega / workshop as well.
