Property Description

Located just a few minutes to one of, if not the, most beautiful beaches in the area! Las Palmeras is a 6-bedroom, 3.5 bathroom flexible-use home with an outdoor pool/ yoga area straight out of a travel magazine. Playa Garza is the beach location for snorkeling, strolling, fishing, or just lounging on the sand and in the shade. It also has a couple of really fun surf breaks! You may never see the beach as the home has one of the best pools and yoga deck setups in the area. Step outside the house to find a pool area just begs you to throw down a towel to relax, grill in the outdoor kitchen or, swim up to the pool bar and enjoy a cocktail or, for those looking for more to do, use the large yoga deck area to tap into your inner peace. The house is very large and sprawling with a central courtyard, 6 bedrooms, and a large living/ kitchen area, adjacent to another outdoor patio area. The property has been rented to retreat leaders, large families, and wedding parties.
