Property Description

Welcome to this brand-new, custom-designed beachfront beauty, where sleek modern architecture meets natural elegance with warm wood accents and polished concrete finishes. Spanning 3 luxurious levels, this 5-bedroom, 7-bathroom home (including a separate ground floor 1-bedroom suite with private entry) is a rare find—especially right on the sand. Designed for flexible living and investment, this property has huge income potential as a short term rental. True 5-bedroom beachfront homes are incredibly scarce, meaning less competition and stronger nightly rates—especially in this prime location. Whether you want to live here full-time, host guests occasionally, or operate it as a high-end vacation rental, the options are all yours. The open-concept layout features floor-to-ceiling windows and endless ocean views, a chef's kitchen with dual islands for entertaining, and elegant, spa-inspired bathrooms throughout.
