Property Description

Ocean view land just 7 minutes from downtown Monteverde. The land is located across from the main road, allowing easy access. It has electricity and water, ocean views, and a very flat topography, making it easy to build. It's ideal for developing cabins ideal for Airbnb. It's located in one of the country's most visited tourist areas, making your investment highly profitable. A neighboring 3,996 square meter lot is also available for sale at \$50,000 per square meter. The price per square meter is \$45,000 colones.
