Property Description

Discover Casa Canopy, a modern tropical sanctuary and exceptional investment opportunity in the heart of Playa Grande, Costa Rica. Offered as a project by acclaimed developer-architect CJ Arq, this property gives you the rare chance to create a fully customized dream home—while enjoying a smooth, professionally managed construction process from start to finish. Set on a generous 739 m² lot, Casa Canopy is designed to merge high-end living with the natural beauty of Costa Rica. Once completed, the residence will feature 4 bedrooms and 4.5 bathrooms, with sweeping ocean and lush canopy views from nearly every room. The sleek, contemporary architecture blends warm wood tones with expansive glass walls, inviting abundant natural light and creating a seamless connection to the outdoors. Enjoy laid-back luxury as you unwind by your private pool, host gatherings on the spacious terrace, and soak in the sights and sounds of Playa Grande's vibrant landscape.
