Property Description

This charming property is a little oasis located very close to Sámara, yet far enough to offer maximum tranquility. Three independent fully furnished houses can accommodate up to twelve guests, together these three units feature six spacious bedrooms, five bathrooms, and ample parking and storage space. This property also serves as an excellent income generator, boasting a 4.98-star rating on Airbnb with a proven track record over several years. Perfect for large families or groups! A 15-minute stroll to the beach or town grants access to all the services and attractions of Sámara, or you can hop on a bicycle or car and reach anywhere within 5 minutes. The constructions are solid, built mainly with concrete, local hardwood, and metal, complemented by meticulous landscaping and impeccable maintenance among native trees. The property also boasts a spacious shared kitchen—perfect for creating many loving memories—a yoga deck, and a beautiful large saltwater pool.
