Property Description

High above the Pacific, where the emerald ridges of Escaleras embrace the sea, stands Acqua Blu, a residence unlike any other in Costa Rica. Completed in 2025, this architectural masterpiece marries block, steel, stone, and glass in perfect harmony, a vision of modern elegance set within the raw beauty of the jungle. A Grand EntranceA custom pivoting steel door opens to a shimmering pond water feature, a tranquil prelude to the wonders within. The floating staircase, masterfully crafted elevates you into the expansive residence. From the moment you step inside, the villa reveals its artistry: entire walls of custom fabricated minimalist glass retract to erase boundaries, uniting the refined interiors with the sweeping deck, the infinity-edge saltwater pool, and the endless horizon of the Pacific Ocean.Crafted PerfectionEvery surface tells a story of excellence. Spanish anti-slip tile floors provide elegance and comfort underfoot.
