Property Description

Villa Calypso: A Modern Masterpiece with Breathtaking Ocean ViewsWelcome to Villa Calypso, a newly built, architect designed luxury estate perched on a 5,200 m² (1.25-acre) hilltop lot just four minutes from downtown Tamarindo. This stunning residence combines sophisticated European craftsmanship with panoramic views of the Pacific Ocean and surrounding mountains. Designed with durability and elegance in mind, the estate features four identical primary suites two of which are lockouts with private entrances offering both flexibility and exceptional rental potential. Expansive outdoor living spaces include a 500 m² Italian tiled terrace, a saltwater infinity pool and spa, two open air ranchos with a full outdoor kitchen, and lush landscaping throughout. Inspired by Jacques Cousteau's legendary RV Calypso, the villa embodies a spirit of adventure, luxury, and harmony with nature. Inside, you'll find hand carved stone sinks, epoxy finished wood vanities, quartz countertops, and imported commercial grade finishes that blend seamlessly with the home's minimalist design.
