Property Description

Located in the highly sought-after Ciudad del Mar community in Jacó, this affordable home offers the perfect balance of convenience, privacy, and resort-style living. Tucked away nearly at the end of a quiet cul-de-sac, the property enjoys minimal traffic, added privacy, and a spacious backyard surrounded by lush tropical landscaping ideal for outdoor living, entertaining, or simply relaxing in your own green oasis. The home is move-in ready and offered fully furnished, excluding a few personal items, making it an easy transition whether you're looking for a full-time residence, vacation home, or investment property. The home has never been short-term rented, meaning it has seen very light use; however, there are no restrictions on short-term rentals should you choose to generate rental income. One of the most appealing features is the prime location - just one block from the best stretch of Jacó Beach, while still close to all community amenities.
