Property Description

Wake up to golden light, open skies, and the quiet luxury of life in Las Ventanas. Set on an expansive 1,725 m² (0.43-acre) landscaped lot, this four-bedroom, five-bathroom residence is a rare blend of thoughtful architecture, privacy, and effortless indoor-outdoor living. Designed by renowned architect Scott Woods, the home follows the natural flow of the land, creating a sense of harmony, space, and calm from the moment you arrive. At the heart of the home, the open-concept kitchen, dining, and living areas invite connection—whether you're hosting friends or enjoying slow mornings with family. Floor-to-ceiling openings lead directly to a poolside terrace where the infinity pool seems to float above one of the largest and most family-friendly yards in all of Las Ventanas—a truly exceptional feature within the community. The primary suite is a private sanctuary, designed for rest and renewal.
