Property Description

Casa Nalú is part of an exclusive boutique residential project by Dos Mareas Studio, showcasing modern tropical architecture with thoughtfully curated materials, custom built-in furniture, and seamless indoor-outdoor living. Designed for both comfort and functionality, the home blends clean contemporary design with warm natural finishes. The layout features a spacious open-concept living room and kitchen, a dedicated dining area, and three well-appointed bedrooms including a private primary suite. The guest bedrooms share a convenient Jack-and-Jill bathroom, complemented by an additional powder room for visitors. The home also includes a laundry room, storage space, mechanical room, and multiple outdoor lifestyle areas, including a covered terrace, sun deck, and private pool designed for year-round enjoyment. Custom built-in furniture by Maple Studio is integrated throughout the home, featuring hydrophobic melamine cabinetry with teak fronts, quartz countertops, and fully integrated cabinetry in the kitchen, closets, laundry, and bathrooms.
