Property Description

Located on a private 5,457 m² lot with legal water and electricity available, this property offers the perfect setting to build your home surrounded by nature. Enjoy a cool and pleasant climate year-round, just 20 minutes from the beaches of Dominical. The lot features beautiful mountain views, is surrounded by lush nature, and includes a year-round creek, creating a peaceful and private environment. Access is convenient, with only a 5-minute drive from the paved road, and the property is easily accessible via a 2WD road. The lot is ready for construction and includes a mature garden with over 20 fruit trees, ideal for those who value sustainable living and a connection with nature. The property also benefits from a legal water concession from a stream at the rear, and the electric meter is already installed. Water drainage infrastructure, including concrete cunetas, is already in place to properly manage rainwater and facilitate immediate development.
