## Property Description

Nestled in the pristine highlands of Dota, in the heart of the beautiful Zona de los Santos, this extraordinary 5-hectare forest property offers a rare opportunity to own a private mountain sanctuary in one of Costa Rica's most breathtaking natural regions. Surrounded by lush cloud forest and untouched mountain landscape, the property is blessed with a year-round natural creek flowing through the land, creating a peaceful and magical atmosphere that perfectly reflects the beauty of the highlands. The property features a charming wooden mountain cabin, ideal for enjoying the serenity of the forest, along with a spacious bodega/storage building that provides additional functionality for tools, equipment, or future development. Covered almost entirely by mature forest and native vegetation, the land is home to abundant wildlife and bird species, making it a true paradise for nature lovers, bird watchers, and those seeking a quiet retreat in the mountains.
