Property Description

Experience refined coastal living in Playa Grande, one of Costa Rica's most sought-after beach communities. Privately set on a quiet dead-end street and surrounded by lush tropical landscape, this newly built residence blends modern design with the natural beauty of the Pacific coast. The 4,000 sq ft main home features a bright open-concept layout with expansive glass doors that seamlessly connect indoor and outdoor living. High ceilings, teak wood finishes, designer tilework, and curated furnishings create a sophisticated yet inviting atmosphere. The home includes three spacious ensuite bedrooms, a dedicated office, and a modern kitchen with premium finishes. Designed with flexibility in mind, the property also offers a separate 1-bedroom guest house and an additional 1-bedroom apartment—ideal for hosting, multi-generational living, or generating rental income. Each space is thoughtfully designed to complement the home's cohesive tropical modern aesthetic.
