Property Description

Owner's Motivated! - Partial Seller Financing (50-60%) will be considered for a qualified buyer. Set within a secure gated community just above the coastline near Dominical, this newly completed home offers a rare combination of modern comfort, flexible design, and panoramic natural beauty. Built in 2024 and situated on approximately 1.59 acres, the property enjoys sweeping views of both the Pacific Ocean and the surrounding mountain landscape, along with refreshing breezes that flow in from its elevated position above the mouth of the Barú River. The home is thoughtfully designed with four bedrooms and three full bathrooms, offering both functionality and versatility. One of the bedrooms can be completely closed off to create a self-contained apartment, ideal for guests or rental income. This private suite includes its own kitchen, bathroom, separate entrance, and washing machine, allowing for full independence without disrupting the main living areas.
