Property Description

Serenity Meets Luxury in Guanacaste's Premier Gated Community Discover this stunning 3-bedroom, 2.5-bathroom home nestled on 990 square meters in the exclusive Altos de Roble gated community. Built in 2008, this approximately 2,500 sq ft Mediterranean-style residence features cream-colored stucco exterior walls, red clay tile roofing, and drought-tolerant landscaping with palm trees and tropical vegetation. The open-concept living area showcases large-format tile flooring, soaring tray ceilings with recessed lighting, and a gourmet kitchen with white upper cabinetry, dark wood-toned lower cabinetry, speckled granite countertops, and stainless steel appliances. Pella windows and doors throughout maximize natural light while providing energy efficiency. The master suite boasts an en-suite bathroom with jetted corner tub, glass-enclosed shower, and walk-in closet. A dedicated study features floor-to-ceiling built-in bookshelves with glass-front display cases, while the formal dining area is defined by elegant white columns with arched openings.
