Property Description

Located in the exclusive community of Playa Grande Estates, adjacent to Marino Las Baulas National Park, this residence offers a rare opportunity to live surrounded by nature, just minutes from the beach and the world-renowned surf of Playa Grande. Spanning 524 m² across two levels, the home showcases a modern design with double-height ceilings and expansive windows that seamlessly connect the interior spaces with the tropical surroundings. It features four spacious bedrooms, each with an ensuite bathroom and private balcony, including a master suite designed as a private spa retreat with a tropical shower and its own garden. Architectural highlights include an elegant second-level bridge and interior gardens that enhance the connection with nature. Outdoors, a stunning infinity pool overlooks protected parkland, ensuring unobstructed views for years to come. Designed for both relaxation and entertaining, the property offers a generous terrace, BBQ area, lush gardens, and thoughtfully designed spaces that prioritize comfort and privacy.
