Property Description

We present a spacious and convenient commercial/industrial warehouse opportunity located in one of the fastest growing areas in the western region of the country, characterized by strong logistics and business development. This property enjoys a highly strategic location, surrounded by major industrial hubs and multiple top-tier free trade zones such as Evolution Free Zone, Costa Rica Green Valley, Parque Activa, among others. This makes it a key location for companies seeking efficient distribution, proximity to corporate clients, and access to a skilled workforce. Additionally, it is just steps away from NOVEX's new distribution center (CEDI) and less than 100 meters from the main entrance of the well-known FANAL plant, positioning it within an active and continuously expanding industrial environment. Its proximity—just 5 minutes—from Evolution Free Zone makes it especially attractive for suppliers and strategic partners of companies operating within this zone.
