Property Description

Tucked into a quiet, low-density community, this 2-bedroom villa offers a rare mix of privacy, greenery, and convenience just minutes from Playas del Coco's beach and town center. Set within a five-acre property surrounded by tropical vegetation, it's an ideal option for those who want more outdoor space than a typical condo. Inside, the home is bright and functional, featuring an open living and kitchen area, along with two updated bathrooms finished with a clean, modern look. The layout is practical and comfortable, whether for full-time living or short-term stays. One of the standout features is the oversized terrace, perfect for outdoor dining, relaxing, or simply enjoying the peaceful setting. The community includes a shared pool and rancho area, creating a laid-back environment without the crowds of larger developments. A covered parking space is also included. Sold fully furnished, this is a turnkey property well suited for personal use, vacation rentals, or as a low-maintenance investment in Guanacaste.
