Property Description

There are places that evoke a special feeling from the moment you arrive. Casa Amani, which means peace, is one of them. Located above Tamarindo with sweeping ocean views, this private, gated estate feels like a world apart, yet the beach, cafes, and vibrant town energy are just a short walk away. Surrounded by palm trees and lush gardens, the property unfolds as a collection of spaces designed for both tranquility and sharing special moments. At its heart, a beautifully renovated (2020) four-bedroom main house opens harmoniously to the outdoors. Glass doors lead to a spacious terrace where days unfold between the infinity pool, the shaded dining area for ten, the summer kitchen, and hammocks swaying in the breeze. Upstairs, the master suite offers ocean views, a tranquil place to begin and end each day, while the other bedrooms maintain a connection to the natural surroundings through light, ventilation, and garden views.
