Property Description

Located within an exclusive five-unit condominium, Gran Mirador #4 offers a rare combination of privacy, functionality, and ocean-view living. With only one residence per floor and direct elevator access into the unit, the property delivers a private-entry experience in a low-density setting. Spanning approximately 1,650 sq. ft. (150 m²), this 2-bedroom, 2.5-bathroom residence has been thoughtfully designed to balance comfort, usability, and rental appeal. Its layout stands out in the market, as both bedrooms feature ensuite bathrooms. The primary suite enjoys full ocean views directly from the bed and opens onto the main balcony, creating a seamless indoor-outdoor connection. It includes a walk-in closet and a spacious bathroom with double sinks, marble countertops, custom cabinetry, and a double shower. The second bedroom offers its own private bathroom with similar quality finishes, including marble countertops, a custom-tiled shower, and built-in storage.
