Property Description

Nestled in the lush tropical surroundings of Playa Chiquita, this spacious 2-bedroom, 2-bath home offers a modern open-concept design with beautiful jungle views and endless potential to make it your own. The airy layout creates a seamless flow between the living, dining, and kitchen areas, allowing natural light and the beauty of the surrounding landscape to fill the home. Partially furnished and ready for personal touches, this property is the perfect canvas for creating your ideal tropical haven, full-time residence, or investment opportunity. Both bedrooms offer comfort and privacy, while the expansive common areas are designed for relaxed Caribbean living. Built with sustainability in mind, the home operates on 100% solar power and includes an established private well, providing energy efficiency and self-sufficiency without sacrificing comfort. Surrounded by nature yet conveniently located near the beaches, restaurants, and attractions of Playa Chiquita, this property offers the perfect balance of modern living, eco-conscious design, and tranquil jungle ambiance.
