Property Description

A Large, Flat & Elevated 1.5 Acre Lot with Privacy, Serenity and Stunning Panoramic Mountain & Ocean Vistas Just Minutes from Uvita! THE SETTING Just 11km from the buzzing tourist town of Uvita & her stunning beaches, this SAN JOSECITO road elevated lot sits in the most natural of surroundings – the rainforest & cloudforest-clad Talamanca Mountains and the protected Danta Wildlife Corridor. A prepared road, branching from the Costanera highway & the town of Uvita, ascends 11km of jungle-covered foothills as it follows the Higuerón (Fig) River along the gently rising river valley. The land sits at a refreshing elevation of 490m or 1610 feet above sea level which means cooler temperatures and a more moderate climate. The road continues on to the capital city, San José, just 160km away. As the lot straddles a ridge and is elevated above the encircling public road, privacy is assured. THE NEIGHBORHOOD The immediate neighbourhood holds jungle waterfalls, mountain rivers, refreshing swim holes, trails, schools, restaurants, and cafes – including the landmark Don Emilio Café and the Jungle Fish Restaurant where you can fish for your dinner in fishponds.
