Property Description

Discover an exceptional investment opportunity in the heart of Costa Rica's Central Pacific. Strategically located in Herradura, just minutes from Jacó Beach, Los Sueños Resort & Marina, and adjacent to Automercado, this fully operational boutique hotel offers the perfect combination of location, scale, and long-term investment potential. Situated on a 1,500 m² lot with approximately 2,100 m² of construction, the property has been thoughtfully designed to deliver a resort-style experience while accommodating up to 100 guests. Contemporary architecture, elevated walkways, and beautifully integrated outdoor spaces create an inviting atmosphere that stands out in today's hospitality market. The hotel features ****28 fully furnished guest rooms****, each equipped with a private bathroom, air conditioning, television, executive refrigerator, microwave, coffee maker, blender, sandwich maker, ceiling fan, and quality furnishings.
