Property Description

Outstanding opportunity in the sought-after community of Las Brisas in Uvita — a rare combination of location, usable land, expansion potential, and a brand new home ready to enjoy immediately. Set on over 1.58 acres of beautiful flat, build-ready land, this exceptional offering captures the essence of Costa Rica living with ocean views, jungle surroundings, cooling breezes, and the ever-present soundtrack of nature. As you enter the gated property, you are welcomed by expansive usable terrain with multiple prime building sites ideal for a luxury estate, guest villas, wellness retreat, income-producing rentals, or even a family compound. The property's layout and orientation take full advantage of the surrounding jungle and distant ocean views, while established "monkey highways" invite daily visits from howler monkeys, white-faced capuchins, toucans, scarlet macaws, and an abundance of tropical wildlife.
