Property Description

Perched high above the Pacific, this extraordinary multi-acre property captures sweeping panoramic views stretching across seven different beaches. Surrounded by lush tropical gardens, mature fruit trees, and vibrant native landscaping, the property offers an exceptional sense of privacy, tranquility, and connection to nature. The fully fenced property is accessed through two secure metal gates, where a spacious garage provides parking for two vehicles along with generous storage. A picturesque driveway winds through the property before arriving at a circular drive and the main residence, a solid concrete block home designed to embrace the spectacular surroundings. A full-length hardwood terrace extends across the front of the home, creating an unforgettable outdoor living space overlooking the beautifully landscaped gardens, expansive swimming pool, and endless Pacific coastline. Whether enjoying your morning coffee, dining al fresco, or watching the sun disappear into the ocean, this is where the views truly take center stage.
