Property Description

Discover a rare opportunity to own a beautifully remodeled property surrounded by nature in the highly desirable community of Ciudad Colón, Costa Rica. This exceptional estate combines privacy, flexibility, and outdoor living on a spacious 1,039 m² lot, featuring two independent single-story residences that are perfect for multi-generational living, rental income, or hosting family and friends. The main residence offers two spacious bedrooms, bright open-concept living and dining areas, and large windows that invite natural light while showcasing the lush tropical surroundings. A separate one-bedroom guest house provides outstanding versatility as an Airbnb rental, private home office, in-law suite, caretaker's residence, or comfortable guest accommodation. Designed for those who love entertaining, the property boasts an expansive covered terrace complete with a traditional pizza oven, barbecue area, and generous outdoor deck overlooking tranquil gardens and mature trees.
