Property Description

Discover one of the finest building lots for sale in Santa Ana, Costa Rica, where breathtaking sunsets, privacy, and a premium location come together to create the perfect setting for your dream home. Situated in one of Santa Ana's most desirable residential areas near Villa Real, this exceptional homesite offers an outstanding opportunity to build a luxury residence with panoramic views of the Central Valley and unforgettable year-round sunsets. This generously sized lot features a gentle topography that makes designing and constructing a custom home both practical and cost-effective. Whether you envision a contemporary architectural masterpiece or an elegant tropical estate, this property provides the ideal canvas for creating a residence that complements its spectacular surroundings. One of the property's most valuable features is its private registered well, a rare asset that provides a dependable water source while adding long-term value and convenience.
