Property Description

Estate Home Lot 2 is a four-bedroom, five-bathroom, two-level residence offering 4,448 sq. ft. of interior living space and more than 8,200 sq. ft. in total. Thoughtfully positioned close to the resort and west-facing for sunset views, this home balances privacy with convenience—ideal for those who want to stay connected to the heart of the community. Outdoor living takes center stage with expansive terraces leading to a private ocean-view pool, while the interiors are fully furnished and feature a chef-inspired catering kitchen with European appliances, an elevator, a spacious primary suite with a spa-style bath, and a private veranda. A sculptural spiral staircase links to a rooftop terrace, while earth-toned stone and wood finishes, smart home integrations, and refined lighting add warmth and texture throughout.
