Property Description

This beautifully appointed 3-bedroom, 2-bathroom townhome offers comfortable single-level living in one of Jacó's most sought-after gated communities. Located toward the front of Ciudad del Mar, the home enjoys an ideal position closer to the beach and community entrance while still offering a quiet residential setting on the south end of town. The residence features approximately 1,280 sq ft of construction on a 238 m² lot. Inside, the open-concept kitchen includes stainless steel appliances, a large center island, and custom furniture pieces throughout the home. The backyard is where this property truly stands out. A custom-built covered outdoor kitchen and wet bar includes a built-in grill, sink, storage, and a spacious entertaining counter. The extended patio provides plenty of room for hosting, while the grassy yard is ideal for pets or could potentially accommodate a private plunge pool.
