Property Description

Welcome to the pinnacle of Tropical Luxury, The Tree Top Retreat. This wonderfully designed home is a product of the much acclaimed architect firm WR Architects. The 4 bed, 3.5 bath home is to be located in Phase 3 of Tamarindo's hottest luxury community of Senderos. As with most of the homes in this community, there is a real focus on 2 things; luxury and outdoor living. The gourmet kitchen and living area is on one floor and is open plan resulting in the a really airy feeling with lots of light from the moment you walk through the front door. Adjacent to this area is the BBQ and wet bar, making that indoor and outdoor living flow easier than ever. The infinity pool, which is the jewell in the crown of this home, is a central focus. 2 of the 4 bedrooms are master suites with ensuite bathrooms, walk-in closets and a private terrace. Luxuriously laid out to ensure comfort and style is paramount throughout.
