Property Description

Casa Arena y Mar, completed in late-2018, is a 3BR/4BA home in the heart of the convenient J Section of Playa Guiones. Situated near the Harbor Reef Hotel and the Beach Dog Cafe, you will be a leisurely 4-minute stroll to the beach (300 meters). You can literally hear the waves rolling in from this property. Casa Arena y Mar is part of the Nosara community in committing to encourage environmental practices. The home uses solar power for its electricity and has a saline pool. The construction materials and furnishings have been locally sourced, whenever possible. Guests are encouraged to recycle and be considerate of their use of water and electricity during their stay. Designed to combine the luxury of indoor/outdoor living, the full glass and screen doors of the main living area can be either partially opened or completely disappear into the walls to create openness to the pool area, or kept shut to protect against the elements.
