The open kitchen is a cook's dream with plenty of natural light, soaring ceilings, quartz countertops, a large island with barstool seating and a dining table with room for the family. The living room opens directly to an outdoor paradise where a patio lounge seamlessly connects the house, pool, outdoor shower, and covered rancho complete with gas grill and dining room table for meals al fresco. This villa is fully equipped with A/C. To make the most of your morning, grab a towel and your surfboard and head to the beach! It is a quick 5 minute walk to a private beach path and secure gate for GBC resident use only. Enjoy the best commute to many of Nosara's most delicious breakfast spots with a barefoot walk down the beach.
