Property Description

Welcome to "Villas Puesta del Sol" or "The Sunset Villas" – Tamarindo's Newest Luxury Condominium Villas Perched up on the hill just a few hundred meters off the beach on a paved road, you will find these 8 luxurious villas in condominium with unlimited ocean views spanning to Playa Grande and Cabo Velas to the North and Avellanas and Langosta to the south. Facing East, these lovely perches have expansive views of the forested hills of Guanacaste, the weather that through them and all the fauna that live there. These 3 bedroom, 3 and a half bath residences have all of the high level finishes one would expect in a luxury development and not to mention a gorgeous pool area fit with a large area for cooking and grilling the days catch. The pool was designed and created by Costa Rica and Panama's top pool company "BioTile" that has become famous in the region for creating pool masterpieces with its Balinese imported tiles that are seen nowhere else but in their works of art.
