Property Description

A wonderful paradise on earth is waiting for you. Wherever you look, the emerald green of the mountains, the turquoise sea and the bright blue sky will hypnotize you. This is the perfect place to forget the daily routine, facing the sea, in a very romantic place. With an area of approximately 69 acres, this property is a dream come true to develop a beautiful boutique hotel or eco-lodge, with private access to the beach with beautiful views of the Gulf. Activities like the hiking, kayaking, sport fishing, snorkeling, SUP and others, are easy to do here, the property has approximately 2 km of trails through the mountains that are constantly maintained and improved; the Golfo Dulce's waters are characterized by being calm with little waves, from here you can visit the Mogos, which are rock formations islets and the mouth of the Esquinas River, which has a small mangrove. This property serves as a biological bridge to connect the Corcovado National Park with the Piedras Blancas National Park, as well as the Golfo Dulce Forest Reserve and the Golfito Wildlife Refuge.
