Property Description

This beautiful 170-acre farm is located in the valley of Nosara, with a large section bordering the majestic Nosara river and filled with old-growth trees and abundant wildlife, the energy on this property is incredible. The property has multiple natural springs and seasonal waterfalls. With plenty of developable flatter land close to the river, the property climbs almost to the ridgeline. As you drive up, you will find multiple pre-cut building pads with stunning views looking over the Nosara river and through the valley towards the ocean. Perfect for a large private estate, retreat center, or creating an eco-friendly community. For more information, contact Kyle@surfingnosara.com or come by our office in downtown Playa Guiones just below Cafe de Paris across from the tennis courts.
