Property Description

Bedrooms: 5 Bathrooms: 6 Floors: 2 Home Area: 5250 sq ft Lot size: 10 acres Words cannot come close to describing the breathtaking views seen from this castle of a home. The wide panorama sweeps from the east to the west, beyond the untouched valleys and tropical forests out to the Pacific, and as far as the coastline of Jaco to the south. The home itself offers an open floor plan and 5250sf of construction, made up mostly of 6 different types of exotic tropical hardwoods. Several windows line the sides of the home allowing the views and tropical landscape to be appreciated from within. The ceilings reach up to 11 feet and even 20 feet high, all supported with an elaborate architecture of the various hardwoods. There are 4 bedrooms, all with bathrooms and A/C, two Master Bedrooms on one floor, and two guest bedrooms on the second floor. There is a 2-car covered area and a complete studio apartment for a live-in employee and a convenient laundry area.
