Property Description

Roble #4 is an 800m2 lot located in the Selvamar Neighborhood and is backed up to a small portion of conservation land. This allows for extra privacy and a beautiful jungle view. Perfect for a primary residence or vacation home. The Selvamar neighborhood is over 15 acres, including an ecological easement along a beautiful seasonal stream. The neighborhood is one of the few areas in Nosara where electricity has been placed underground to the properties throughout the subdivision. As a plus, for those who have small families, the neighborhood is a short 10-minute walk to Del Mar Academy (Our local Montessori School), and the neighborhood has one of the only private community clubhouses in Nosara with a pool and natural area that is over 2.5 acres including a communal fruit tree orchard.
