Property Description

Cerro Las Esperanza is a remarkable expanse of natural beauty spanning over 458 acres. Nestled along the picturesque ridges bordering the Bay of Golfito and the Bay of the Golfo Dulce, this unique property showcases a captivating blend of lush, rolling valleys, vibrant tropical rainforest, and an abundance of pristine water sources including springs, creeks, and rivers. Boasting over 1.5 kilometers of frontage on the Coto River, which is surrounded by protected wetlands, mangroves, and estuaries, the location is truly a haven for nature enthusiasts. With an extensive network of private internal roads spanning over 2 kilometers, Cerro Las Esperanza grants access to various ridges and enchanting natural knolls, providing breathtaking panoramic views in every direction. From the heart of Golfito Bay and the New Bahia Marina Project to the Golfo Dulce Bay, the Coto Colorado River basin, and the coastal mountain range, the vistas are simply awe-inspiring.
