Property Description

This majestic property encompasses over a 1/2 acre of pristine tropical land and is home to one of the area's most impressive estate homes. Elegance, exclusivity, and privacy are immediate sensations as you enter the custom iron gates to the secluded home and drive down the private paverstone driveway to a spacious parking and entrance feature. The home itself, nestled onto a ridge-line overlooking the Pacific Ocean, year round sunsets and tropical rainforest was designed to entertain, relax, and enjoy the beautiful backdrop with friends and family. The main residences boasts 3 full bedrooms, 3.5 bathrooms, and an enormous main room that hosts the custom kitchen, dining, and living spaces. Every inch of both levels of the home spill onto spacious deck areas, which allow for seamless indoor and outdoor living. The infinity edge pool, where you will be spending hours relaxing and watching the monkeys, sloths, tucans, and macaws put on their daily shows, connects to spacious deck areas for sunbathing and an even larger covered outdoor kitchen and bar.
