Property Description

Welcome to Mar Mystique Haven in Ojochal, a newly built 2-bedroom, 2.5-bathroom oceanview masterpiece that epitomizes quiet luxury and refined elegance with one level easy access from covered carports to interior. Set on 1.15 acres of verdant paradise, this architecturally superior home offers unparalleled value and sophistication, making it a standout gem in the heart of Costa Rica. Built on the mountain skirt and architecturally designed with the wind course in mind, this home integrates natural cooling elements seamlessly. As you walk in, it is a sensory experience: your eyes are drawn to the expansive ocean view, while the warm comfort and feel of the exotic woods throughout eases you. The exotic teak wood covers both the interior and terrace floors, and the design details of 6-inch diameter Guadua Angustifolia bamboo evoke a natural ambiance as you are further soothed by the calming sounds of the pool's water fountain.
