Property Description

Discover the allure of this expansive building property nestled within the exclusive Selvamar Community, situated at the end of a tranquil street and bordered by a local green zone. Positioned strategically, the property features a gentle incline to the left, adorned with majestic Guanacaste trees along the perimeter, creating a lush jungle canopy that provides refreshing shade during the warmer months. This remarkable piece of land boasts a natural flow of water, guided by the subtle grade, leading to a charming drainage area that meanders between this property and its neighbor. The flow culminates in the verdant green zone located at the rear of this fantastic property, adding a touch of nature's serenity to the surroundings. Notably, Selvamar stands out as a community that goes beyond the ordinary, offering its residents exclusive access to a generously sized community pavilion and a private pool.
