Property Description

Originally designed to enjoy the finest things of the countryside in Costa Rica, Finca Tranquila is a very private equestrian gated community located just outside Quepos and Manuel Antonio, in the town of Naranjito. Characterized by its tranquil setting, the community is located far enough from the busy and touristy part of Manuel Antonio without falling into the hotel corridor. The development of 177 acres of land offers homesites and lots of approximately one acre, where residents get to build beautiful estate homes surrounded by lush greenery. The surroundings are impeccably well kept, with immaculate manicured lawns throughout and beautiful views of the rainforest and surrounding mountains. The lifestyle at Finca Tranquila includes taking a calming walk to the Rio Gallega, horseback riding on the onsite horses through the 144 acres of communal areas, and becoming amazed at the plethora of bird species that visit and inhabit the area.
