Property Description

Discover an expansive property, a hidden treasure offering unmatched privacy and awe-inspiring views of the ocean. Tucked away in the Uvita region of Costa Rica, this property covers over 130 acres, providing a setting for you to live your dream Costa Rican lifestyle. Key Features: Potential for a Thriving Community: Perfect for families to come together and create a neighborhood that focuses on regeneration. Ideal for establishing a wellness and education center or intentional community. Opportunities to Build: There are several development locations throughout the property where you can build your dream home. Many of these sites offer ocean vistas overlooking both Uvita and the magnificent Osa Peninsula. Nature's Marvels: The upper part of the land is blanketed by forest. Maintained trails lead you to an 80-foot waterfall and a natural swimming pool, creating an enchanting experience. Perfect Climate and Altitude: Situated at an altitude between 2,500 and 3,000 feet, providing temperatures year-round.
