Property Description

ACCOMMODATIONSConstructed to highlight the abundance of flor, fauna and sunshine that the region of Guanacaste is famous for, the cohesive design of the house lets in natural light and sights of the landscape at every corner, yet preserves privacy in each room. The floor to ceiling windows have 95% spf protection and the privacy barrier allows you to see out, and not in. Fabulously furnished, the luxury villa provides all the comforts and conveniences you could need, and even ones you didn't know you needed. Outside, between 2 saltwater pools and an expansive terrace, there is plenty of space for relaxing, exercising and swimming. Fine DiningThe kitchen is a dream: beautiful black quartz countertop as the centerpiece and the state of the art appliances. And if you're not keen on cooking, inquire about the complimentary chef services included. The bar of the kitchen island seamlessly flows into the communal wooden table dining area and living room.
